

**Family Matters brings local families together to support each other.**

**We provide donated, good quality clothes, toys and equipment for babies and pre-schoolers to local families in need. All our items are gifted to us by other local families.**

**Run by a group of local people, we collect and organise donated items such as:**  
**clothes for 0-3s**  
**towels**  
**playmats**  
**highchairs**  
**cots & moses baskets**  
**stairgates**  
**buggies**  
**toiletries**  
**toys**  
**games**

#### **I need some baby or toddler kit**

If you are experiencing hardship, you can ask your midwife, health visitor, doctor, or local Children's Centre for a Family Matters referral. You can then visit our site in Weymouth to select your items.

---

#### **I'm a professional and want to refer a family to Family Matters**

You can refer any family who you feel would benefit from our support – there are no complicated assessments. If you would like more information on how we work please email us at [family.matters@gmail.com](mailto:family.matters@gmail.com)

---

#### **I've got something to donate**

Thank you! You can drop your donation off at the Lantern, Queen Street on Wednesday mornings from 10-11.30am. Our items are gifts, not hand-outs, so please only bring us great quality donations that you've washed, sorted and labelled. If you're bringing a cot please check all the bolts are included!

#### **I'd like to get involved**

We have lots of volunteering opportunities so come on board. To offer help or find out more please email [family.matters@gmail.com](mailto:family.matters@gmail.com). We work hard to ensure you can volunteer for us with small kids in tow and have a range of different roles available.
