### **Major Variance Details**

Variances greater than + or - £5,000

Service Area	Revised Budget	Projected Outturn	Variance	Reason for Variance
Budget Holder: Ben Heath				
Parks and Open Spaces Staffing Account – Employees	836,180	749,997	86,183 Underspend	There have been a number of vacant posts within the team that have yet to be recruited to. A review of these posts will be undertaken as part of a wider review of the service. In the interim, casual staff were used over the summer period.
Budget Holder: Will Holmes				
Advertising Drums - Rates	0	9,057	9,057 Overspend	The advertising drums are in the process of being decommissioned to be replaced by digital drums as agreed by Full Council. Due to the timing of the planning process costs are being incurred until they are handed over to the new contractor. These costs are mitigated by additional income.
Advertising Drums - Income	0	-11,122	10,618 Underspend	Advertising income has been secured whilst the process to install digital advertising drums is being completed.
Resort - Electricity	8,270	18,194	9,924 Overspend	There have been some historic issues in respect of the meter readings associated with the beach office. These have now been resolved which has resulted in an increase in charges. These increases will need to be considered as part of the 2025/26 budget setting process.
Resort - Rates	4,100	23,032	18,932 Overspend	Because of the single year licenses issues for the beach attraction sites the Rates liability falls on the Council for the periods that fall outside these license dates. The overspend represents the backdated amounts that relate to previous years.
Deckchair Operations - Fees and Charges	-85,000	-74,776	10,224 Overspend	Although the income received increased when compared to the previous year the amount still fell below the budget. Officers will need to review the fees and charges to ensure they are set at an amount that achieves the income target or the budget will need to be reduced to reflect usage.
Events - Fees and Charges	-88,995	-94,809	5,814 Underspend	Additional income has been secured in respect of promotional activities along the seafront. Officers will work at securing similar income streams for future years.
Public Conveniences – Employees	197,940	177,128	20,812 Underspend	Careful management of staff and hours has resulted in a projected underspend for the current financial year. Permeant staff are undertaking additional hours which reduces the need to employ casual staff.
Public Conveniences – Water and Electricity Recharges	-3,000	-9,484	6,484 Underspend	Utility costs are now being recharged where licences allow for this to be done.
Catering Kiosks - Employees	99,350	92,937	6,413 Underspend	There is one vacancy within the catering team and this post will not be recruited to until a review of the service has been completed (Service to be reviewed by the E&S Committee). In the interim casual staff are being using to fill this gap)
Catering Kiosks - Consumables	88,500	75,000	13,500 Underspend	Careful management of consumables to reduce wastage and proactively manage purchases around times of bad weather.
Catering Kiosks - Sales	-245,000	-200,000	45,000 Overspend	The catering service is to be reviewed by the E&S Committee in December and the results of this review will be reported back to this committee with recommendations around service delivery and budgets.
Budget Holder: Shane Smyth				
Commercial Road - Electricity	7,500	20,000	12,500 Overspend	Utility costs have increased and officers are undertaking work to ensure that the budgets for 2025/26 reflect the new tariffs.
Budget Holder: Lisa Musleh				
Members - Member Allowances	35,000	25,000	10,000 Underspend	The projected outturn reflects the decision made at Full Council in May to keep the allowance at £1,000 per annum.
Central Operating Costs - Employees	959,710	908,858	50,852 Underspend	There has been two vacant posts within the team, one that has now been filled and another that has been filled internally on an interim basis which has meant that one post remains vacant whilst a review is being undertaken.
Central Operating Costs – Investment Interest	-12,000	-96,000	84,000 Underspend	Increased interest rates along with officers being proactive in moving surplus funds to interest earning accounts has resulted in greater returns on investments being achieved. Interest rates will be continually monitored, and caution should be exercised when looking at future income budgets as interest rates may go back down depending on the economic environment.
